

HOW TO EFFECTIVELY STUDY...

BIBLE CHARACTERS

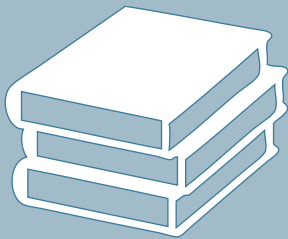

1

SEARCH AND READ

Look up all the verses about your chosen character. Look at the context and stories around each verse. If they are a Biblical author, look at their writings.

PS... SOMETIMES A LITTLE EXTRA INFORMATION CAN BE FOUND IN OTHER SOURCES LIKE BIBLE DICTIONARIES!

2

COMPILE AS MUCH INFORMATION AS YOU CAN ABOUT THEM, FOR EXAMPLE...

- > WHEN + WHERE did they live?
- > What was their ANCESTRY (parents, tribe, nation)?
- > What kind of CULTURE did they live in?
- > What were their strengths + weaknesses?
- > HOW did they die?
- > What LESSONS did they learn?
- > What did they BELIEVE?
- > How did they relate to OTHERS?
- > How did they relate to GOD?
- > How did GOD relate to them?

3

APPLY IT TO YOUR LIFE!

What truths can you learn from their lives about who God is, how He relates to us, and how we should live?
